| Rhett Nelsen   | Heather Medina-Sauceda, NRCS | Arlyse DeLoyola (Staff) |
| Jim Gurley<br>Bob Webb                                   |                              | Bob Schmidt             |
| Janice Denney (WC)                                       |                              |                         |
| Carol Crawford (WC)                                      |                              |                         |
| John Bellville (Staff)<br>Eric Nusbaum- Oregon Dept. Ag. |                              |                         |
| SCRIBE   |                              |                         |

Notes were taken by John Bellville

- **Minutes**: The minutes from the May meeting were presented to the Board for review.
  - Rhett Nelsen made a motion to approve the minutes for May with corrections noted by Janice and Arlyse (through John).
  - Jim Gurley seconded the motion.
  - o The motion carried.
- **Financials**: The Financial Reports from May 2024 were presented to the Board for review.
  - Rhett Nelsen made a motion to accept the financial reports.
  - Bob Webb seconded that motion.
  - The motion carried without dissent.

### **OLD BUSINESS**

• Water Quality Update: John Gave an update on the status of the project. About \$10,000 remains in the original grant, so it will not last, as-is through the rest of the sampling season. He spoke at the County Commissioners' Meeting (7/3) and believes he was heard and that they understand the project is worthy of funding. Funding for next year looks good but we will down-scale operations for the rest of the sampling season and do as much testing in-house as possible, thanks to the donation of laboratory space by Jim Gurley and Kathy Mechling and the Gas Chromatograph. Other potential partnerships were discussed.

### **Guest Speakers (Agenda Deviation)**

Heather Medina-Sauceda of Natural Resource Conservation Service (NRCS) was introduced for a partner update. She noted that changes are happening in the Southern Oregon area for NRCS. David Ferguson, who has been working with us and is currently on detail in Portland will assume a new position in Ohio in August. She will be our contact for board meetings, etc. There are a lot of programs happening including Farm Bill, Inflation Reduction, Smart Farm/Forestry, and Urban Ag. She asked that the district be a bridge between urban landowners and watermasters for those who do not understand water rights. She presented a flyer for an Umpqua Prescribed Burn Association Event and invited everyone to attend next week.

She also discussed NRCS' strategies on EQIP for high tunnels, local foods, the Regional Conservation Partnership Program RCPP, and encouraged SWCDs to be a voice with OACD for local food producers on water rights legislation.

Eric Nusbaum, Operations Specialist- Oregon Department of Agriculture was then introduced. He cautioned board members regarding election deadlines and ethics. Make sure to do all paperwork outside the SWCD office. There are major changes to Public Meeting Law. Training is required for all agencies with budgets exceeding 1,000,000 and is only recommended for smaller SWCDs. Formal complaints are now processed through the ethics commission.

He then spoke to the board regarding the Two Rivers SWCD, who did not get their capacity to grant this biennium due to a late application. He proposed to the board that they might consider taking action to save that district in one of a few ways. In the short-term, IVSWCD could absorb 4-6 hours per week of Two Rivers' work to keep them going for the remaining year of the biennium. IVSWCD could invoice those hours to Two Rivers and be paid for them from funds remaining in their accounts when they close their building because they no longer need it for staff.

In the next biennium, IVSWCD could manage both IVSWCD and TRSWCD, have both capacity grants, hire staff, and house together, saving money. Discussion was held.

### **NEW BUSINESS**

### **CWDG Contract Award**

The board considered all applications for the fuels reduction work to be done in Kerby for the Community Wildfire Defense Grant. They discussed the bids.

- Rhett Nelsen made a motion to select Grayback Forestry as the contractor for the work.
- o Jim Gurley seconded the motion.
- The motion carried 5-1.

Discussion was held as to whether action should be taken regarding the Two Rivers proposal.

• A motion was made by Rhett Nelsen to invite the board of Two Rivers SWCD to our next meeting to discuss the proposal in person.

- o Jim Gurley seconded the motion.
- o The motion passed without dissent.

Jim Gurley announced that he will not be running as an incumbent for his position on the board this election year and that Kathy Mechling intends to run in his place, but if anyone is opposed to that, she would like to know.

### **CONTINUING**

### **Staff Reports:**

John reviewed his report: We will be getting an SIA (Strategic Investment Initiative) grant and will have a meeting on that July 16. 20% of the funds must go to monitoring in the investment area, which is great.

He will be meeting with the USFS regarding a possible weed survey project next week. It could begin in 2025 and potentially go five years The Post Fire project is going well. He will be contracting Cheryl Nelson to act as an engagement coordinator for the Postfire project. CWDG permits will be started in late July, project on the ground in late fall. We are partnering with Trout Unlimited on irrigation projects, and applying for grants on Cron Farm. We are in the design/feasibility stages with the Jimmy Little and Webb properties. He is looking for fuels reduction grants for the Thompson Creek property. Arlyse's report was written only.

IVWC- Kevin offered to answer any questions- there were none.

### **Public Comments:**

Janice asked what "weeds" we would be collecting. John said he would get her a list.

Back to the bugs in commercial soil- Bob asked again who was responsible for the quality of soil being brought in. Rhett said there are regulations. Eric Nusbaum offered names and phone numbers for two ODA representatives.

### **NEXT MEETING**

The next meeting is to be held on July 25th at 6:00 pm at the Illinois Valley SWCD Office and via ZOOM.

### ILLINOIS VALLEY July 2024 District Manager Staff Report

# Soil and Water Conservation District

### • Fundraising

- We are now officially accepting donations: WWW.IVSWCD.ORG/DONATE
- Spread the word! Donations are tax-deductible and can be made anonymously.

### • ODA 2024 Strategic Implementation Area (SIA)

- ODA hosted an SIA planning meeting at the IVSWCD office on 7/16/2024.
- IVSWCD will be getting an SIA!

### • Cannabis Cleanup (SFLRF)

- The plan is to release the Abandoned Cannabis Site Remediation Guide at THE Halloween Festival (10/25;
   IV Farmer's Market space)
- There will be a public Coalition for the Remediation of Cannabis Sites (CoRCS) meeting scheduled for 8/19. Details TBA.
- It has been decided to invite The Water League, Motherline, and Cannabis Removal on Public Lands (CROP) to participate in the conversation.

### Smith River Complex Weed Surveying and Seed Collection

- A final pricing proposal has been submitted to USFS-WRRD.
- The projects will collectively run from 2025-2027 with a likelihood of more related project work in 2028 onwards.
- IVWC will be administering this grant.

### Upper Illinois River Watershed Postfire Restoration Project (Post-Fire Recovery)

We will be in a holding pattern with this project until fire season subsides.

### • Illinois Valley Water Quality Monitoring Program

• We have done some restructuring and are looking good for the rest of the year.

### • Community Wildfire Defense Grant (CWDG) – Kerby Fuels Reduction Project

• I am putting in for LUCS permits, coordinating with project landowners, and administering the Grayback contract in preparation for later this year.

### • Irrigation Upgrades

 A site visit for a pre-design study for the Jimmy Little Ditch and Webb projects will be conducted in mid-July.

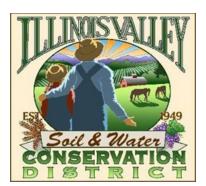

### • Conservation Plans

I am in the process of completing my first conservation plan.

#### Grants

 We successfully submitted the Sweet Cron Irrigation Modernization grant with Trout Unlimited as the coapplicant. A revision was submitted on OWRD's request.

Respectfully submitted,
John Bellville, District Manager
Illinois Valley Soil & Water Conservation District

## Staff Report Office Manager - Arlyse DeLoyola July 2024

### **GENERAL ADMIN**

- Payroll submitted.
- Payroll accrual tracked.
- Grant specific expense tracking in QuickBooks and Excel.
- Preparations for board meeting (pre-meeting packet assembly, QB reporting, coordinating agenda, minutes).
- Kept up with partnering agencies' newsletters and memos.
- Reconciled QB accounts for June.
- Filed receipts.
- Emails/Voicemail/US Mail

### Hi all-

We are well into the fiscal year-end protocol and all that goes with it. This will be an expensive year for us (almost double our accounting fees) but that's due to changes in audit law and the fact that it's been a very productive and busy year.

The election legal notice made it into the IV News on time, now it's up to you all to get your parts done.

Remember that the Oregon Department of Agriculture website has all the answers and if you need more help just call them!

We will be meeting with folks from Two Rivers SWCD to discuss a potential partnership this month. I'm optimistic that we can assist them in getting back on their feet without too much disruption for us. Realistically, I know there will be work involved. I look forward to the challenge.

July 8 marked my five-year anniversary with the District. I want to express my thanks to you all for your support and encouragement which have made these years fly by so quickly. I couldn't ask for a better group to work with and for. Thank you.

### Arlyse
